

Atlas Series Product Comparison

Atlas Essential[™], Atlas Travel[®], and Atlas Premium[™]

The Atlas Series travel medical insurance plans from WorldTrips are available almost anywhere you may travel internationally for vacation, study abroad, business, and mission work. Atlas Essential represents the most economical version of our well-known Atlas Series, while Atlas Premium provides the highest levels of coverage among the Atlas plans.

What Does Atlas Cover?

INTERNATIONAL COVERAGE

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? WorldTrips is experienced in arranging emergency medical evacuations. Atlas covers eligible expenses necessary to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Premium and Atlas Travel cover transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster struck while you were away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, WorldTrips will arrange for and cover eligible costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Premium and Atlas Travel will cover the transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or higher travel advisory, the Atlas Series offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or higher travel advisory in the 60 days prior to your arrival date.

Political Evacuation

If, during the coverage period and after your arrival, the U.S. Department of State issues a level 3 or higher travel advisory for your destination country, Atlas Premium and Atlas Travel will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs on your trip, causing you to become displaced from your planned and paid accommodations, Atlas Travel and Atlas Premium will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

ATLAS* QUALITY BENEFITS

Acute Onset of Pre-Existing Conditions

Atlas Travel and Atlas Premium provide a limited benefit up to the medical coverage lifetime maximum for eligible medical expenses. If you are younger than 80, you may be covered for an acute onset of a **pre-existing condition. This also includes up to a \$25,000 lifetime maximum for emergency medical evacuation.

An acute onset of a pre-existing condition is a sudden and unexpected outbreak or recurrence that is of short duration, is rapidly progressive, and requires urgent care. A pre-existing condition that is a chronic or congenital, or that gradually becomes worse over time, is not acute onset of a pre-existing condition.

The Acute Onset of Pre-existing Condition benefit will only apply if all of the following conditions are met:

- a) The Acute onset of a Pre-Existing Condition does not directly or indirectly relate to a chronic condition or congenital condition;
- b) Treatment must be obtained within twenty-four (24) hours of the sudden and unexpected outbreak or reoccurrence;
- c) You must be under eighty (80) years of age;
- d) You must not be traveling against or in disregard of the recommendations, established treatment programs, or medical advice of a physician or other healthcare provider;
- e) You must not be traveling with the intent or purpose to seek or obtain treatment for the pre-existing condition;
- f) You must be traveling outside your home country

Hospitalization and Outpatient Treatment

If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization, including intensive care unit and outpatient treatment.

Sports

Atlas includes coverage for eligible injuries and illnesses that could occur while participating in many popular vacation sports — skiing and snowboarding (recreational downhill and/or cross country), snorkeling, water skiing, and others — at no additional cost. Certain extreme sports are excluded from coverage.

Complications of Pregnancy

Atlas Premium and Atlas Travel offer coverage for complications of pregnancy during the first 26 weeks of gestation.

Crisis Response

Atlas Travel offers up to \$10,000 per certificate period (or up to \$100,000 if ***additional coverage is selected; \$100,000 for Atlas Premium) to offset costs associated with kidnapping such as ransom, crisis response expenses, and loss of personal belongings. This benefit includes access to the services of Unity Crisis Group for advice, coordination with law enforcement, and negotiations during a kidnapping.

Personal Liability

Atlas Travel offers up to \$25,000 per certificate period (\$100,000 for Atlas Premium) to offset the following types of court-entered eligible judgments or approved settlements incurred by the member:

- Third-party injury;
- Damage/loss of a third party's personal property;
- Damage/loss of a related third party's personal property.
