

MPPI 3-Month Plan Summary

1. **Plan Description:** Primary Care Plan (Plan or MPPI 3-Month Plan) offered by MyPhysicianPlan Inc (MPPI) provides access to a dedicated Primary Care Physician (PCP) during the Plan Term, with the option to visit other PCPs within the MyPhysicianPlan network for routine medical care services.
2. **Policy Rules:**
 - **Plan Term:** Initial period of 3 Months. Plan shall auto renew for each additional 3 months periods unless autorenewal is canceled by the Member or MPPI.
 - **Plan Effective Period:** Plan begins on the calendar month and day selected by the Member (Effective Date) and continues until the end of the Plan Term.
 - **MPPI Notice Period for Plan Change or Cancellation:** No less than one month prior to the Plan change or cancellation.
 - **Member Notice Period for Plan Cancellation:** MPPI 3-Month Plan is a nonrefundable plan which shall not be cancelled after the Plan activation date (Effective Date). Member may cancel the 3-month Plan renewal any time prior to the end of the Term.
3. **Payment Terms:**
 - **Payment Method:** Debit/Credit Card/HSA Card or any valid digital payment method.
 - **Plan Amount:** \$225/3-Months Period
 - **Payment Due Date:** Plan amount is due on the date of Plan enrollment. Plan renewal amount, if applicable, shall be auto charged to the payment method linked to the Member account.
 - **Enrollment Fee:** \$30
 - **PCP Visit Fee (Copay):** \$35 (In-Person Visit) and \$25 (Televisit)
 - **Changes to Rates:** All rates are subject to change. Once enrolled, however, Plan rates shall remain fixed for the duration of the Plan Term.
4. **Plan Features:**
 - **Doctor Visits:** Unlimited in person and virtual/telehealth doctor consultations by appointment during the practice's regular office hours are included and the Member is only responsible for the copay. Member Copay: In Person Visit - \$35, Telehealth - \$25.
 - **Other Services:** ECG or other procedures and tests or vaccinations if required and provided by the Provider shall be paid by the Member at the standard prices offered by the PCP/Provider.
 - **Labs Tests:** Members shall use LabCorp for all tests ordered by the Member PCP. Member shall be billed by MPPI for twenty percent (20%) of LabCorp standard test fees and the amount due shall be charged to the Member's card on file after advance notification.
 - **Prescriptions:** Members with the Rx Card can enjoy savings of up to 90% on prescription medications. The actual savings depend on the specific prescription and the pharmacy. Members are responsible for the charges related to their prescription medications.
 - **Specialist coverage:** Member Responsibility – directly paid by the Member.
 - **Hospitalization, ER, or other providers:** Member Responsibility – directly paid by the Member.
5. **Plan Communication**
 - Plan notifications shall be sent to the Member's registered mobile number/email address.
